BCOG thanks David Squirrel for his professional advice and support since the start of the Community Orchard. Our thanks also go to Shelia Hawkins BCOG Tree Leader 2012 - 2014, whose original spreadsheets provided the basis for the above summary and Christine Preston BCOG Team leader 2014 - 2020 for regular updates, and to Jenn Baker as the Tree Team Leader starting in 2020.

N.B. For the tree diagram, the elder tree in the centre of the orchard was removed in March 2023. It was replaced with a Kent Cobnut on 12th March 2023, that was planted very close to its position.
